Re: TranSystems Corporation PAC (Identification Number C00433672)

Dear Ms. Hay,

Thank you for your letter dated June 29, 2016. Please find below the response of the TranSystems Corporation PAC (the "PAC") to the issues raised in your letter.

The first issue raised by the Commission related to the PAC's status and whether it qualifies as a multicandidate committee. The Commission is correct that the PAC has satisfied the criteria for becoming a multicandidate committee, as the PAC has been registered with the Commission for more than six months and, since its formation, the PAC has received contributions for federal elections from at least 51 persons and made contributions to at least five federal candidates. Please find enclosed the Form 1M (Notification of Multicandidate Status) for the PAC.

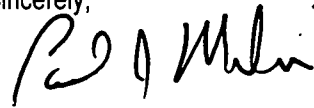

The second issue raised by the Commission related to (a) a contribution in excess of allowable limits, (b) the coverage dates for the recent quarterly statements filed by the PAC, and (c) certain items that have been disclosed on the wrong lines of the Detailed Summary Page.

With respect to item (a) above, the PAC made a contribution in the amount of \$10,000 to Kasich for America on January 7, 2016. This contribution was actually two contributions of \$5,000, with one contribution for the Primary Cycle and one contribution for the General Cycle. This contribution should have been reported on the PAC's April Quarterly Report as two contributions within applicable limits. The contribution to Kasich for America for the General Cycle has since been refunded to the PAC. Enclosed is the documentation related to such refund. The PAC will amend its April Quarterly Report to appropriately reflect such contributions to Kasich for America and will amend its July Quarterly Report to appropriately reflect the refund of the contribution to Kasich for America related to the General Cycle.

With respect to items (b) and (c) above, the PAC will amend its April Quarterly Report to reflect the appropriate coverage dates and provide the disclosures on the appropriate lines of the Detailed Summary Pages. Such amendments of the April Quarterly Report and July Quarterly Report will be made by the PAC as soon as possible and submitted to the Commission.

If you have any questions related to the foregoing, please do not hesitate to contact me. Thank you for your attention to this matter.

Sincerely,

Dear Mr. Malir:

Thank you for your loyal and generous support toward Governor John Kasich's presidential campaign efforts during the 2016 cycle.

As you know, our efforts in the Primary were unsuccessful and therefore, in accordance with the Federal Election Commission (FEC) requirement, the campaign is refunding your 2016 **GENERAL CYCLE** contribution portion.

I ask that you make every effort to deposit these funds as soon as possible. If you have any questions in regard to this refund, please feel free to contact me.

On behalf of Governor John Kasich, his staff, and the campaign—we are so grateful for your past support and will continue to work for a new day in America.

Sincerely,

Suzanne E. Marshall
